EMBEDDED

Panoramic Camera

Captures everything in one seamless view.

Your Ultimate Security Solution.

Time and Cost Efficiency

One camera, full coverage. Reduce installation, hardware, and maintenance costs while ensuring top-tier performance.

Active Deterrence

Built-in flash and speaker respond to threats in real-time with light and sound alerts, turning detection into prevention.

Night Vision Excellence

See clearly and vividly, even in the dark. Hybrid Light technology ensures vibrant, full-color imaging 24/7.

Comprehensive Smart Features

AI-powered analytics like line crossing, sterile area, face detection, object specification, and 180° coverage deliver smarter alerts and proactive security

ONVIF & NDAA Compliance

Compatible and secure. Seamlessly integrate with other systems while adhering to stringent industry and government standards.

Application Scenarios

Versatile Solutions for Every Space.

Retail and Warehousing

Monitor sales floors and storage spaces effortlessly, ensuring safety and compliance.

Parking Lots and Public Areas

Cover expansive outdoor spaces with ease, detecting incidents in real time.

Corporate Campuses

Streamline perimeter and entry security with AI analytics for proactive management.

Healthcare Facilities

Ensure patient safety and operational efficiency across sensitive areas.

DPAN2-340ADR

- Resolution: 8MP (4640x1760)
- Lens: 2x2.8mm (180° FOV); 24/7 Full-Color mode
- Illumination: 2 High-Power white LEDs (20m)
- AI Analytics:
 - DDA1 (Sterile Area, Line Crossing, Sterile Area, Line Crossing, Object Counting, Loitering)
 - DDA2 (Advanced Object Classification)
 - AI (Face Detection)
 - AI (Heatmap)
- Durability: IP66 Waterproof
- Compression: H.265+/H.264+/H.265/H.264/MJPEG
- Audio: 2 Built-in Microphones & a Speaker
- Power Supply: DC12V/~750mA / PoE/~11W
- Storage: SD Card Support (up to 256GB)
- Weight: ~730g
